

Dear Interested Theatre Members,

Hello! My name is Casey Hribar and I am the president of the Hilliard Bradley Theatre Troupe (Troupe 7415). Theatre was something that started off as a hobby for me, as I was involved in many things at Bradley, but soon became a top priority of mine. I not only fell in love with the art of performing and theatre production, but the atmosphere I was surrounded in. The people in the troupe are some of the most welcoming, caring, intelligent and brave individuals I have ever met. Whether you are an incoming freshman, or a senior trying something new, there is a place for everyone. There are also so many different roles to be playing, from on stage acting, singing or dancing to constructing various sets and running a show as the stage manager. No matter what the job, theatre has a very flexible commitment and schedule. For those that want to take on leadership roles in the troupe however, we have a cabinet of officers that have positions ranging from props and costumes to organizing social events. Bradley Theatre is an environment you don't want to miss out on! New members are welcome anytime and we are always open!

See you soon!

Welcome one, Welcome all to Bradley Tech Crew!!!!. My name Is Chan and the position of status I am in is the tech president. This year will be a great year of laughs, friendships, and hard work. Through it all, we'll have our ups and downs with making the magic happen on stage, through building the sets and on occasion props, along with obtaining various positions through running the show. I hope that this year will be a year of memories and progress for our tech crew!
